RE: Revocation of antidumping duty order, in part, on hand trucks and certain parts thereof from the People's Republic of China (A-570-891).

1. As a result of a notification from the petitioner, Gleason Industrial Products, Inc. and Precision Products, Inc., that it is no longer interested in certain multifunction carts subject to the antidumping duty order on hand trucks and certain parts thereof from the People's Republic of China, Commerce has revoked the antidumping duty order in part with respect to certain multifunction carts and published the revocation in the Federal Register on 04/08/2015 (80 FR 18812).

The partial revocation applies to hand trucks meeting the following description:

Excluded from the scope is a multifunction cart that combines, among others, the capabilities of a wheelbarrow and dolly. The product comprises a steel frame that can be converted from vertical to horizontal functionality, two wheels toward the lower end of the frame and two removable handles near the top. In addition to a foldable projection edge in its extended position, it includes a permanently attached steel tub or barrow. This product is currently available under proprietary trade names such as the "Aerocart."

2. Therefore, CBP is directed to terminate the suspension of liquidation for all shipments of certain multifunction carts described above entered, or withdrawn from warehouse, for consumption on or after 12/01/2012. All entries of the revoked product that were suspended on or after 12/01/2012 should be liquidated without regard to antidumping duties (i.e., release all bonds and refund all cash deposits).

3. Entries of the merchandise identified in paragraph 1, entered, or withdrawn from warehouse, for consumption prior to 12/01/2012 should not be liquidated until separate and specific liquidation instructions are issued.

4. Notice of the lifting of suspension of liquidation of entries of subject merchandise which are covered by paragraph 2 and entered, or withdrawn from warehouse, for consumption on or after 12/01/2012 occurred with the publication of the notice of revocation in the Federal Register (80 FR

18812, 04/08/2015).

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
